Message from Don and Shirley -
Merry Christmas to everyone at Good Shepherd and a healthy New Year. We pray it will be better than 2020. We watch the church services on the computer every week.

Don is doing very well, gaining weight and getting good reports. We miss you all and thank you for the prayers.

Thank you from Kid's Peace

Our Drive by Santa Event was held on December 11th and 12th. It was a grand success thanks to your generous gifts. We were able to fulfill all of our foster children's wish list thanks to your dedicated staff taking angels or buying items off of our Amazon Wish List. All the foster children sign a thank you letter (see our bulletin board). The Staff here at the KidsPeace Bloomsburg Office would like to wish everyone a Merry Christmas and a Happy New Year.
