

GOOD SHEPHERD UPDATES

THANK YOU!!

To Fr. Fred for his willingness to continue administering to our flock during this stressful year. He travels each week from Hanover PA to lead us in our worship services even though Christ Episcopal has suspended their worship services till further notice. We thank him and thank God for his devotion to do *His* work.

Church Services:

Good Shepherd is continuing their worship services at 9:00 am with Holy Communion. We are constantly keeping with the CDC requirements and the Synod has given each individual church their own option to remain open or suspend services.

Finance:

The committee would like to thank all for their continued support through this stressful time of COVID19 by attending church services and by sending in their offerings. We all miss the fellowship, but we understand and know that precautions are necessary. A copy of the Council approved budget is attached to this newsletter. A Congregational Meeting is scheduled for January 10th, 2021, after services, for congregational voting on this budget.

Congratulations:

Congratulations to **Madison Cragle and Carson Witner** who were confirmed on November 26, 2020. Congratulations to **Logan Witner** for being selected as Kiwanis Student of the Month.

Communion:

If you are unable to be with us for Sunday services and would like to have communion, please call the church office (570-752-3737) and let Kathy know and our Communion Committee will be in contact with you.

Snow:

It's that time of year again when it snows! Thank you to Barry Titus and Sam DeFinnis for clearing our sidewalks during this last snowfall. The walks need to be kept open not only for Good Shepherd but for the daycare. Daycare opens at 6:00 am and the walks need to be cleared for them. If you can help at any time, please call Barry (570-594-6496) or Sam (570-204-3810).
