

Kidspeace Angels

Kidspeace Organization is a private, non-profit national children's charity that helps thousands of neglected and hurt children each day at more than 50 centers nationwide and millions more each year. Kidspeace in Bloomsburg hosts a Christmas party for the children in their foster care each year. These children will all receive the gifts they wished for because of people like you who are so very generous.

This year the program will be a little different. Instead of buying, wrapping and bringing the gift to church to be picked up, Amazon.com has a "wish list" on their website from which you may pick as many or as few gifts as you would like. You can go to our website or facebook and click on the link or copy and paste it. Amazon will ship these gifts directly to the Kidspeace Bloomsburg office. The Love Offering will be collected in November for them.

Be A Christmas Elf
